

A tentative step-by-step to guide students to join the Zoom meeting room using NAU SSO:

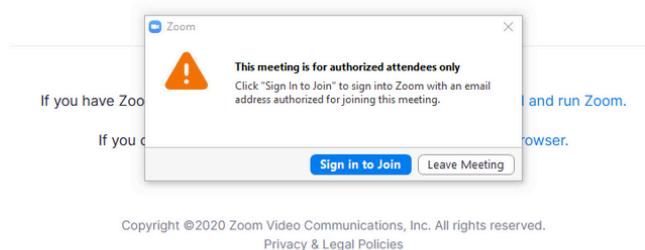

If you've never used Zoom, you need to choose the app that will open the link. If you don't have Zoom, please install it.

Then, you will be notified that the room is for authorized attendees only:

When system dialog prompts, click **Open link**.

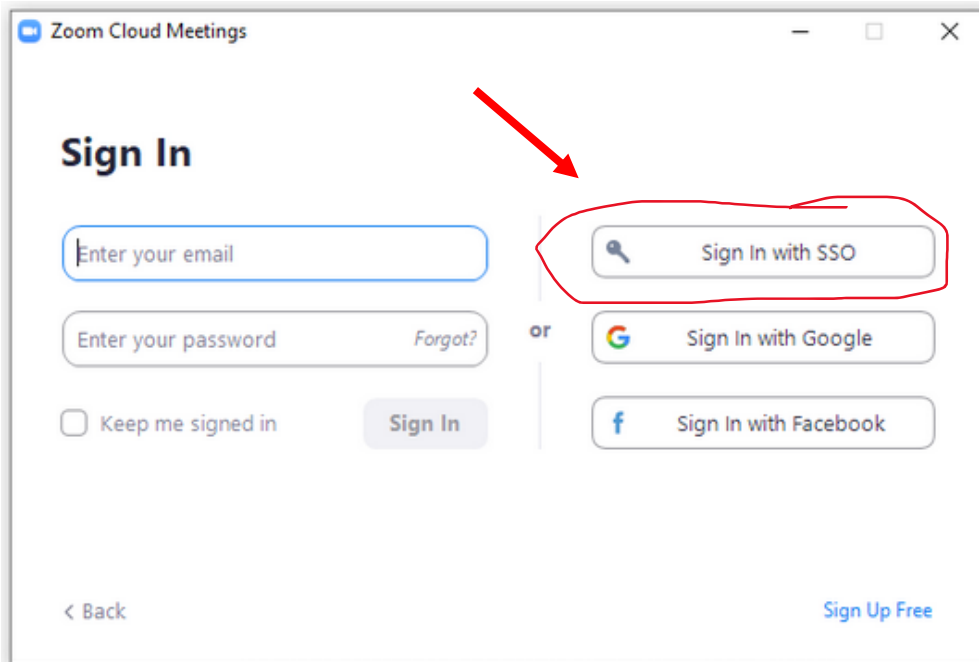

Click "Sign in to Join" and move ahead

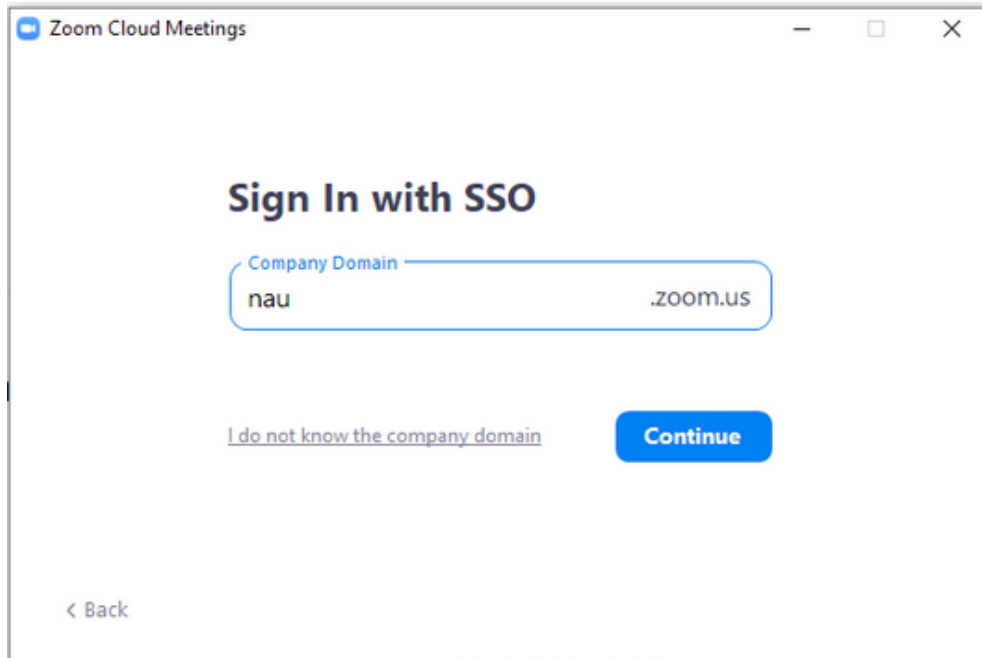

Click “Sign In” and stay in the Zoom app. **Do not go back to the browser to select your account.**

Select “Sign in with SSO”

Then enter “nau” as the Company Domain and click Continue

A screenshot of the Zoom Cloud Meetings application window. The title bar says "Zoom Cloud Meetings". The main heading is "Sign In with SSO". Below it is a text input field labeled "Company Domain" with the text "nau" entered. To the right of the input field is ".zoom.us". Below the input field is a link that says "I do not know the company domain". To the right of the link is a blue button labeled "Continue". In the bottom left corner, there is a link that says "< Back".

At this point you will be redirected to the nau login page. Proceed with your credentials and to ahead to Open Zoom after logging in.

Zoom will request the meeting password, which is on BBLearn and on your email

A screenshot of a Zoom dialog box titled "Enter Meeting Password". It has a red dot in the top left corner. Below the title is a text input field labeled "Meeting Password". At the bottom, there are two buttons: "Cancel" and "Join".
